

Seasonal Scents

*seasonal scents are limited,
availability changes monthly

- **Havana Nights** - Cuban tobacco, rustic woods, and spiced rum aromas will take you straight to Havana
- **Cranberry Woods** - A crowd pleasing combination of tart cranberries, currants and pomegranate bitters with soothing notes of vanilla and green leaves
- **Palo + Patchouli** - Wake up your sense with this alluring blend of palo santo and patchouli with aged cedar
- **Leather + Smoke** - Old tack room leather, barn wood, and the simmering smoke after a campfire
- **Night** - The alluring darkness of the night woods bring to life the warm cedar, dark musk, and clove buds
- **Orange + Spice** - This fusion of dried orange peel, clove, and cinnamon with a pinch of chili pepper and sandalwood puts a twist on the average orange and spice aroma
- **Pumpkin Bread** - A delectable comforting blend of harvested pumpkins, anise, ginger, and mandarin zest topped with vanilla creme and brown sugar
- **Tree Farm** - Head to the tree farm and pick out your own Christmas tree where you can smell the fresh foliage of bright evergreen and sweet sap on each and every tree
- **Drunken Pumpkin** - Taking the pumpkin game to next level with this truly unique blend of pumpkin, sweet maple leaf with dark bourbon and gingerbread
- **Frosted Spruce** - The cold arctic air of the forest and chilly frost of the spruce tree come alive in this magical scent to bring winter into your home with notes of spruce tree, ozone, and cedar
- **Sweater Weather** - Warm, cozy, and softly masculine. This unisex aroma of bergamot, mahogany, and a delicate veil of white musk
- **White Winter** - White winter mornings of frosted cypress and pine with icy mint and cooling eucalyptus making this a fan favorite all winter long
- **Roasted Pine** - Nestled up on the sofa by the fire, you can feel the warmth of the roasted pine, sandalwood, vanilla, and birchwood in this wintery pine scent
- **Warm Cider** - This classic nostalgic scent perfect for the holidays combines orange peel, clove, cinnamon, nutmeg, and soft undertones of sweet juniper and warm sandalwood
- **Sangria** - Luscious berries with notes of basil, saffron, amber and sweet orange infuse this captivating beverage aroma
